“A job¹ well done² and products³ that ensure⁴ customer satisfaction.⁵”

This is what my father⁶ used to shout at the wheel of the forklift in the warehouse.⁷

He always had everything under control.⁸

(Ferruccio Rognoni)

1.

A JOB...

Ours is trading wholesale in cheese and cured meats.

We have been doing it with honest passion since 1913. Thanks to the work of our collaborators, we supply unique products from Italy and the rest of Europe, selected in their area of origin. Our commitment? To foster values such as **love for our region, culture, authenticity, quality, protection and control**, with the aim of **conscientiously fulfilling** the role, a crucial one, of supplier.

2.

WELL DONE...

- We have experience: **we know the products and the market**
- We pay attention to **the quality** of the product, to price and service
- We look for **lasting relations** and a dialogue with suppliers and customers
- We deliver in **the whole of Italy and all over the world**
- We have **UNI EN ISO 9001 and BRC certifications**

3.

AND PRODUCTS...

We have everything that, according to us, stands for the best of the **Italian and European** dairy food world: Grana Padano, Parmigiano Reggiano, Gorgonzola, Taleggio, Pecorino, Buffalo milk Mozzarella from Campania, Toma Piemontese and Prosciutto di Parma, all rigorously DOP. Then IGP salami and salted and dried beef and many other good things from Italy and elsewhere. There is also a selection of **Rognoni brand products**.

4.

THAT ENSURE...

We supply markets, stores, food distributors and firms in the vast hospitality industry; **normally businesses in the sector with a VAT number**.

By now we have long experience with supporting documents required in various countries because we have been serving customers in Europe and overseas regularly for years.

5.

CUSTOMER SATISFACTION...

We have been **competent and passionate vendors for 108 years**. Our headquarters is at Abbiategrasso, in the land of Gorgonzola, Taleggio, Quartirolo and, in antiquity, of Grana too. We have grown a little at a time, silent, enterprising, and then the decisive turning point in the 1970s: **now we are a solid B2B firm** in which our unchanged love for our products and our continuous improvement clearly mark out our entrepreneurial progress.

6.

MY FATHER...

This trade is handed down. It is made of nuances, perceptions of ultra-fine flavours and aromas. We search, we taste, we handle, we smell, we observe and at times we imagine. **Touch, sight, taste, smell and hearing**. As Mr. Umberto taught. These are the basic things for the **cheesemonger**. Technology? A precious companion.

7.

IN THE WAREHOUSE...

- **21,500 sq ft** > Total area of the firm
- **8,600 sq ft** > Cold rooms, ripening rooms and cutting rooms
- **270 sq ft** > Orders, Accounting, Quality and Export Sections
- **5** > Controlled temperature trucks
- **2,500 t** > Products handled a year
- **300 t** > Storage capacity
- **26** > People working in the firm every day

8.

EVERYTHING UNDER CONTROL...

- Always careful and rigorous selection of partners
- Exacting in assembling our range of products
- Complete knowledge of current labelling laws
- Maximum rigour in preserving and storing products
- Share know-how to the utmost
- Sales network spread throughout Italy

*WE ARE CHEESEMONGERS AND ALWAYS HAVE BEEN,
EVER SINCE A RETIRED PRIMARY SCHOOL TEACHER DECIDED
TO DEDICATE HIMSELF TO A GREAT FOOD IN THE FIRST HALF
OF THE MID-NINETEENTH CENTURY.*

THIS IS MY
GREAT-GRANDFATHER,
THE TEACHER;
HE SUPPORTED
GARIBALDI.

HE BUILT THE STORAGE AREA IN THE BASEMENT WITH THE VENTILATION CHIMNEYS TO MATURE THE CHEESE. THIS AREA WAS FULL OF CHEESE.

WHAT IS LEFT OF HIM ARE A PAIR OF
SWORDSHAPED KNIVES, A PHOTO,
THIS REGISTER...

AND, OBVIOUSLY,
THE STORAGE AREA.

BUT MOST OF ALL THIS TRADE,
THIS PASSION...

...WHICH HE HANDED DOWN TO MY GRANDFATHER, MY FATHER AND THEN TO ME.

MY GRANDFATHER... YOU MUST BE JOKING... AFTER THE SECOND WORLD WAR THERE WAS NOTHING. HE HAD MANAGED TO SAVE JUST TWO WHEELS, NOTHING ELSE.

THEN HE MADE CONTACT AGAIN WITH THE LOCAL PRODUCERS.

HE STARTED SELLING AGAIN AT THE MARKETS AND THE BUSINESS SLOWLY TOOK OFF AGAIN.

BUT IT WAS PROBABLY MY FATHER WHO LOVED THE MARKETS MORE THAN ANYONE ELSE. THE JOY OF THE PEOPLE, THE SHOUTING, AND THE SMILING FACES.

MY FATHER...HE HAD SUCH A PASSION.

SENTA CHE PEL!*

HE TAUGHT ME EVERYTHING!

I'M NOT A GOOD TEACHER: YOU HAVE TO STEAL THE TRADE!

THAT'S WHAT I DID! I STOLE IT.

*An expression, which in dialect indicates the perfection and delight of the cheese wheel when touched.

AS A CHILD, MY GRANDFATHER AND MY FATHER USED TO TAKE ME TO THE MARKETS...

...LYING ON A SHEET SO I COULD GET A LITTLE MORE SLEEP...

...BECAUSE AT 6.30 AM THEY WERE ALREADY IN THE SQUARES SETTING UP THE STALL.

I WOULD STAND IN A CORNER, BESIDE THE WEIGHING SCALES.

THEN MY FATHER WOULD TAKE ME TO THE PRODUCERS. WE WOULD SPEND FULL DAYS CHOOSING THE CHEESE... HE USED TO ALWAYS SAY TO ME "GET THE TOOL BOX"

THERE WERE STAMPS, THE HOT IRON BRANDED MARK, THE HAMMER, THE KNIVES, THE PROBE...

...BECAUSE NOT EVERYONE ALLOWED
YOU TO OPEN THE WHEELS, SO...

...YOU HAD TO INSERT THE PROBE, THEN RUB IT
HERE, ON THE HAND AND TASTE IT.

YOU CHOSE THE BATCH PIECE BY PIECE
AND THEN YOU WOULD EAT, DRINK AND
CHAT... BUT NOT ABOUT MONEY!
MONEY WAS ONLY SPOKEN ABOUT
LATER. IT WAS ALL A RITE...

...YOU WENT AWAY FOR A FULL DAY,
THOSE DAYS ARE GONE.

I HAVE WONDERFUL MEMORIES
CONNECTED TO THAT PERIOD WITH MY
GRANDAD AND MY FATHER. THE JOB...

YOU SEE... THIS JOB... HAS
CONQUERED US AND FOR US...

A man in a white lab coat is seen from the back, standing in a warehouse. He is reaching out with his right hand towards a large roll of material. The warehouse is filled with many similar rolls of material, stacked in rows. The lighting is warm and the overall tone is sepia. The text is overlaid on the left side of the image.

*... IT IS MUCH MORE THAN A JOB.
IT IS WHAT CONNECTS US.
IT IS THE FAMILY.*

OUTSTANDING PDO PRODUCTS

PARMIGIANO REGGIANO PDO

The symbol of Cuisine made in Italy. It has been mentioned in manuscripts, recipe books and documents since the beginning of the year 1000. Its success has crossed national borders to conquer the world. This may also be because popular tradition attributes aphrodisiac properties to this hard cheese.

Price list: 01a

For availability of dairies, aging, cuts and information consult the price list using the QR code at page 10

GRANA PADANO PDO

It starred in a cult film of the early 70s "La grande abbuffata", directed by Marco Ferreri with a cast of exceptional actors. One of these, Mastroianni, an airline pilot, takes a whole wheel of Grana Padano, a cheese with a particular granular paste, cousin of the Parmigiano, as if it were something precious, into first class.

Price list: 01b

For availability of dairies, aging, cuts and information consult the price list using the QR code at page 10

TRENTINGRANA PDO

Produced in the province of Trento, it enjoys a specificity, which is defined by law. Dairy cows "fed on forage with the exclusion of any kind of silage for the entire year", working techniques that "recall the hand-crafted mountain tradition, cheese with particular organoleptic characteristics..."

GRANDITALIA

From the experience of cheesemakers who work in the zones of origin of important Italian PDO products, territories that make our cuisine great, comes a decisive and complex cheese, which conquers a set place in the kitchens of Italians.

Price list: 01c
For availability of cuts, aging and information consult the price list using the QR code at page 10

BELLA LODI

Produced exclusively from an age-old dairy in the Adda Sud Park, Bella Lodi descends from the great dairy tradition of Lodi which dates back to the Middle Ages. The milk is milked daily, giving it a unique taste. The black elegant rind makes it unmistakable.
